To: Mr. Sambonn Lek  
Founder and President  
Sam Relief Inc.

Dear Mr. Sambonn:

From all of us at Angkor Hospital for Children (AHC) we would like to thank you for your email letter on April 5, 2011 detailing Sam Relief's kind of donation to Angkor Hospital for Children. The donation of rice and other items with a total value of USD3,500 will be delivered to the hospital on April 25, 2011. These funds will make a big difference here on the ground.

As you know, Cambodia is a truly beautiful place but is still challenged by endemic poverty and disease. Your contribution will enable us to continue to help restore Cambodia's healthcare system and it will directly help the children in the hospital here at AHC.

Please do not hesitate to contact me at any time if you would like more information about the daily activities of Angkor Hospital for Children. Also, should you wish to visit Siem Reap, Cambodia and stop by hospital for a visit, please let me know, as I would be glad to take you on a tour of our facilities. In the mean time, please visit our website at [www.angkorhospital.org](http://www.angkorhospital.org) to learn more about us and ways you can get involved. Our success depends on good relationships and a growing number of people catching on to our vision.

On behalf of the staff, children and families at Angkor Hospital for Children, please accept my most sincere thanks and gratitude for your support.

Sincerely,

William Housworth, MD., MPH
