Dear Mr. Lawrence P. Schmidt,

I would like to express my recognition to you for your generous excellence award via **Sam Relief Foundation** to me concerning my achieving the 1st rank during the 31st promotion of Pharmaceutical study. This graceful activity helps obviously promoting the goodwill competition among Cambodian students and it brings the constant prosperity, moral support and sustainable success to Cambodian pharmacist students.

I would like deeply also to thank to the effort of **Sam Relief Foundation** who always supports the education field for Cambodian students.

Finally, I hope that you will continue your actions to help morally and financially the following academic year students.

Please accept my heartfelt thanks for your gift donation.

With my best regards,

Heng Sokrasmey
