

Dear **Mr. Steve Combes**,

My Name is Bun Linda, I was born in Tmor krey village, Kratic province, Cambodia, on August 11-1986. My life with my parents was a happy one, but since 1991, when I was in primary school, my happy life changed very suddenly because my parents were divorced.

When I was 14 years old, I had to work hard to earn money for my personal, school and help my mother expenses. In order to make a little money, I cooked and rent the bicycle at home & restaurant (in kratic province), however, i had to think that if I come to stay in Phnom Penh city it maybe better than.

In 2009 i went to live in the Phnom Penh city, my work is housekeeper, i would like to studies more so that, I asked to my householder to pay for my computer school but without salary. He said that it was okay, and that he would support me for this course.

In this end of 2005, i am is a seller at the BS department store. In 2006, i found another job, i worked a t Phnom Penh Hotel (is 4 star hotel in the city of Cambodia) and my position is waitress in department Food & Beverage. After a few months i had transfered my work place to department Sales & Marketing and my new title is sales officer.

Three months after i join din department Sales & Marketing , I stared with my graduated at University of law and economic, my mother she was very sick, my problem is i'm short of money, Fortunately that I meet **Mr. Sambonn Lek**, his is a president and founder at SAM RELIFE,INC. his is the customer in Phnom Penh Hotel, his very kind, and his always supporting the most of children in Cambodia.

Mr. Sambonn Lek, his had offered my by amount USD 365 for attend with my second year in the University of Law,

I really appreciate for your kind supported!

Thank you very much and have a great day.

Sincerely

Linda Bun
