Dear Mr Sambonn Lek

I am writing to express my gratitude for the scholarship that you given me.

I would like to express my thanks, thanks, thanks...millions of times of thanks for that nice scholarship. You have supported me, I could never believe that, but now it is completely true. I have nothing to show for this kind help, but I have only my gratitude for your scholarship. I will try my best to continue to get your scholarship until I can graduate my study in the future.

I would like to promise that I am going to try to do my best for the sake of my study achievement, will take that knowledge to serve the nation.

Yours sincerely

Kun Ten
